FROM DESK OF THE PRINCIPAL

Chhamaria Anchalik College opened its portals on the 12th August 1994, aiming to impart quality and value based education in the greater Chhamaria area. The relentless effort of handful philanthropists of this communal harmonious area visualized their dream of higher education in 1994 at Chhamaria Anchalik High School. There were only 48 nos. of students in the beginning, and couple of teachers in the staff. There are at present five hundred students with 25 nos. of competent faculties. This increase in numbers of students has changed the character of the college from small well-knit educational institute to a large educational institution, though facing many challenges. There is a need to evolve relevant methods of imparting instruction and inculcating discipline.

The college has a large campus with several buildings under construction. With the development of better infrastructural facilities, it would be possible to offer more opportunities for the all round development of the students.

Under such circumstances, the college is preparing itself to carry forward various vocational and job-oriented courses for better excellence in the new millennium to pass.

The dedication of the staff and earnestness of the students propel us to commit ourselves to live up college motto: *dāmyata datta dayadhbam* as we have entered the new millennium.

Thanking you,

Principal
(P.K.Dev.Nath)
