Message from the Principal

Chhamaria Anchalik College opened its portals on August 12, 1994, with a mission to impart quality, value-based education to the greater Chhamaria area. What began as the visionary dream of a few local philanthropists at Chhamaria Anchalik High School has grown significantly. From an initial cohort of just 48 students and a handful of teachers, we now proudly serve approximately 550 students guided by 31 competent faculty members.

While this growth has transformed our college from a small, well-knit institute into a large educational institution, it has also brought new challenges. We recognize the need to evolve our instructional methods and strengthen student discipline to meet modern standards. Our campus is currently expanding, with several buildings under construction. As our infrastructure develops, we will be better equipped to provide diverse opportunities for the holistic development of our students.

To guide this growth, the college authority has developed a **Perspective Plan for 2022–2037**. This roadmap is designed to drive excellence as we navigate the new millennium. Guided by our motto, *Dāmyata, Datta, Dayadhvam* (Self-control, Charity, Compassion), the dedication of our staff and the earnestness of our students remain our greatest strengths. I would also like to commend the IQAC for their diligence in overseeing our institutional progress.

I am pleased to announce that following the NAAC Peer Team visit on September 9th and 10th, 2024, our college has been accredited with a **‘B’ Grade (CGPA 2.43)**.

Finally, I am honored to present this Perspective Plan. I invite all stakeholders of Chhamaria Anchalik College to join hands with us as we work together to turn our cherished dreams into reality.

P. K. Dev Nath

Principal

Chhamaria Anchalik College

A LEGACY OF EXCELLENCE: THE HISTORY OF CHHAMARIA ANCHALIK COLLEGE

With a rich cultural heritage spanning over 30 years, **Chhamaria Anchalik College** stands as a beacon of higher education for the generations of Chhamaria and the adjoining areas of the Kamrup district. Established on **August 12, 1994**, the college is the result of the visionary efforts of local intellectual pioneers.

The journey began much earlier, on January 24, 1982, during a public meeting organized by the **Chhamaria Yubak Sangha**. A preparatory committee had been formed in 1981 at the premises of the Yubak Sangha—a village organization known for its social and cultural leadership. Under the leadership of **Sri Harendra Narayan Mazumdar** as President and **Sri Khagen Bayan** as Secretary, the foundation for the college was laid.

Academic operations commenced with the Bachelor of Arts (B.A.) program. In its infancy, classes were held in the early morning hours at Chhamaria High School. By **1997**, the college successfully transitioned to its own dedicated campus. We honor the memory of **Late Gajendra Thakuria**, who served as the first Principal and guided the institution through its formative years.

Today, Chhamaria Anchalik College is permanently affiliated with **Gauhati University** and is recognized under sections **2(f) and 12(B)** of the University Grants Commission (UGC). While the college began with seven departments, it has since expanded to include Arabic and Philosophy. Currently, all departments (with the exception of English) offer Major courses.

The college continues to evolve, with ongoing infrastructural development led by the **Governing Body** and supported by the **College Development Committee**.

Infrastructure and Facilities

Since its inception in 1994, Chhamaria Anchalik College has played a pivotal role in the region's educational landscape. Over the past 30 years, the college has made significant strides in developing its infrastructure. Most recently, two new buildings were completed under the **“Infrastructure Development of Colleges”** scheme, generously sponsored by the **Government of Assam**.

Furthermore, through the support of the **University Grants Commission (UGC)**, the college has significantly upgraded its technological resources. Our facilities now include:

- **Computing & Documentation:** A dedicated computer lab with 16 systems and high-speed Xerox machines for administrative and student use.
- **Modern Classrooms:** Fully equipped **ICT classrooms**, a digital room, and a **Smart Classroom** designed to facilitate interactive learning.
- **Library & Media:** A well-stocked library and a large-screen LCD system to support the all-round academic and extracurricular development of the student community.

These facilities are fully operational and ready to serve our students as we continue to embrace modern pedagogical methods.

CO-CURRICULAR ACTIVITIES & STUDENT SOCIETIES

Chhamaria Anchalik College is committed to the holistic development of students, particularly those from socio-economically backward communities. To achieve this, we offer a diverse range of co-curricular activities categorized into college-wide events and department-specific programs.

College-Wide Events

These activities involve the entire college community and foster a spirit of unity:

- **Freshmen Social:** A vibrant welcome for our incoming students.
- **Annual Award Distribution Ceremony:** Recognizing and celebrating academic and extracurricular excellence.
- **College Week:** A signature annual event featuring sports, culture, and literary competitions.

Departmental & Individual Interest Programs

To nurture specific academic and personal interests, the following programs are organized:

- **Departmental Cultural Programs & Seminars**
- **Educational Excursions & Field Studies** (including Environmental Studies tours)
- **Skill-Based Workshops**
- **Add-on & Certificate Courses** to enhance employability.

Student Associations & Social Outreach

Under the dedicated guidance of our faculty members, the following associations serve as platforms for students to showcase their talents and engage in social responsibility:

- **Red Ribbon Club:** Promoting health awareness and social consciousness.
- **Cultural Wing:** Nurturing artistic expression and regional heritage.
- **Literary Wing:** Enhancing creative writing, oratory, and intellectual discourse.
- **Women's Self-Defense (Judo Program):** Empowering female students with physical and mental strength.
- **National Service Scheme (NSS):** Bridging the gap between the campus and the community.
- **Red Cross Society:** Cultivating the spirit of humanitarian service.

These associations remain highly active throughout the academic year, organizing initiatives that engage both our student body and the local village community. Furthermore, we are in the advanced administrative stages of introducing the **National Cadet Corps (NCC)** unit, which will soon be available to our students.

UNIQUE FEATURES OF THE COLLEGE

A Serene Learning Environment Nestled in the lap of scenic natural beauty, Chhamaria Anchalik College offers a peaceful atmosphere far removed from the din and bustle of urban life. This tranquil setting provides an ideal environment for academic focus and personal reflection.

A Tapestry of Unity A defining feature of our institution is the harmonious unification of diverse castes, creeds, and cultures. This spirit of communal heritage is woven into the very fabric of the college, fostering an inclusive environment where every student feels a sense of belonging.

VISION

- ❖ To be developed as Inter- disciplinary institution of excellence in sustainable development, with value making impact factor in socio- economy and ecology.
- ❖ To integrate knowledge of Indian humanities with skill to generate graduates for better employment.
- ❖ To provide high quality education amidst students to enable them continuously critical thinkers for better life on Earth.
 - ❖ To become one of the autonomous institution by 2036 within the country.

MISSION

- ❖ To make the institutional mission in practical, the institutional stakeholders would like to proceed in collective way.
- ❖ To strengthen the internal quality of the institution
- ❖ To match IDP with NEP-2020, the institutional task force is bound to serve for the better development of the institution.

Core Values

- **Intellectual Empowerment:** Embracing the philosophy that **Knowledge is Power**, we strive to provide an education that liberates the mind and equips our students for the challenges of a globalized world.
- **Ethical Foundation:** Operating under the belief that **Honesty is the Best Policy**, we foster an environment of transparency, accountability, and unwavering moral character.
- **Holistic Excellence:** We pursue **Excellence through Integrity, Innovation, and Teamwork**, ensuring that our academic and administrative goals are met through creative problem-solving and collective effort.
- **Future-Ready Communication:** We are committed to **Communicating with Courage and Confidence**, preparing our stakeholders to lead and advocate effectively in the society of tomorrow.

INSTITUTIONAL DEVELOPING PLAN OF THE COLLEGE

The college has established this Institutional Development Plan (IDP) based on two strategic categories: The **General Objectives** and the Specific Objectives.

The General Objectives are as follows:

1. **Strategic Roadmap:** To serve as a comprehensive model and guideline for all stakeholders, bridging existing developmental gaps and providing a structured vision for the institution's growth.
2. **Core Priorities:** To maintain a steadfast focus on the three pillars of **Access, Quality, and Future Readiness**.
3. **Governance & Transparency:** To formulate a roadmap based on standard norms and public self-disclosure, fostering good governance and transparent institutional practices.
4. **Performance & Accountability:** To define clear parameters for performance assessment regarding professional progression, student feedback, pedagogical innovation, and active contribution to the institution's corporate culture.
5. **Quality Architecture:** To design and mastermind the foundational framework required for a high-quality academic institution.
6. **Institutional Flourishing:** To enhance administrative management while simultaneously fostering a vibrant and effective teaching-learning evaluation process.

The Specific Objectives are as follows:

1. Academic & Pedagogical Excellence

- **Curriculum Diversification:** To introduce a specific number of **Value-Added Courses** and **Vocational Certificate Programs** that complements the traditional B.A./B. Sc/ B. Com Degrees.
- **Interdisciplinary Learning:** To implement "Multidisciplinary Minor" options, allowing students to choose subjects across streams as per NEP-2020 guidelines.
- **ICT Integration:** To ensure 100% of faculty members utilize **Learning Management Systems (LMS)** and digital tools (like Anuvadini for translation or Google Classroom) for content delivery and assessment.

2. Student Support & Progression

- **Skill Development:** To establish a dedicated **Skill Hub** or Career Counseling Cell that conducts regular workshops on soft skills, digital literacy, and entrepreneurship.
- **Inclusive Access:** To provide remedial coaching for students from marginalized backgrounds and ensure 100% accessibility for Divyangjan (specially-abled) students through physical and digital infrastructure.
- **Placement & Internship:** To sign **MoUs (Memorandums of Understanding)** with local educational institutes, and industries or NGOs to provide mandatory internship opportunities for final-year students.

3. Research, Innovation & Extension

- **Research Culture:** To encourage faculty to publish at least one research paper per year in UGC-CARE listed journals and to apply for minor/major research projects.
- **Community Engagement:** To adopt nearby villages for social outreach programs, focusing on literacy, health, or environmental awareness (Extension Activities).
- **IKS Promotion:** To integrate **Indian Knowledge Systems (IKS)** into the local curriculum by documenting regional history, folklore, or traditional practices (e.g., Assamese folk literature or local agricultural wisdom).

4. Infrastructure & Governance

- **Digital Transformation:** To upgrade the college library into a fully automated **Digital Library** with access to N-LIST and other e-resource databases.
- **Green Campus Initiatives:** To implement sustainable practices such as solar energy harvesting, rainwater harvesting, and "Plastic-Free Zone" protocols.
- **Financial Sustainability:** To diversify revenue streams through consultancy services, alumni contributions, or specialized self-financed courses.

FUTURE PLAN FOR STUDENTS ENRICHMENT

- i. To introduce Vocational Course
- ii) Introduction of Computer Education
- iii) Special Attention in Games and Sports
- iv) Remedial classes for weak Students
- v) Planning to open PG course in all subjects.
- vi) Planning to introduce science streams.

Extensions Programme

- i) Introduction of Add on / Certificate Course
- ii) B.A. & M.A. Under KK Handique open University,
- iii) Free health check up camp among EWS.
- iv) NCC Programme

FOUR YEARS DEGREE COURSE (FYUGP)
